ISSUE FEE TRANSMITTAL LETTER

Sir:

On December 7, 2007, the U.S. Patent and Trademark Office ("PTO") issued a Decision to grant Applicant's Petition to Withdraw the above-referenced application from issue after Applicant's November 26, 2007 payment of the issue fee. Regarding the Issue Fee, the Decision states the following:

Petitioner is advised that the issue fee paid on November 26, 2007 in the above-identified application cannot be refunded. If, however, the above-identified application is again allowed, petitioner may request that it be applied towards the issue fee required by the new Notice of Allowance.

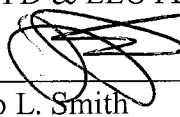

On January 7, 2008, the PTO issued a Notice of Allowance and Issue Fee Due for this application. Such Issue Fee Transmittal indicates a previously paid issue fee of \$1440 and total fees due of \$1440. Accordingly, Applicant hereby submits the enclosed Issue Fee Transmittal without additional payment for the Issue Fee. Commissioner for Patents is requested to re-apply the previously paid Issue Fee to the application identified above.

The Commissioner is hereby authorized to charge deposit account 02-1818 for any fees which are due and owing.

Respectfully submitted,
